

QUALITY AND SAFETY POLICY

Our company « **AGRODRIP S.A.** » has been active for many years in the design, production and in trade of irrigation systems , based in our facilities in Industrial Area of Sindos Thessaloniki.

Driven by optimal customer service and the top quality of our products as a cornerstone, the company has managed to establish itself among the leaders in the field. The satisfaction of the requirements of all Interested Parties is a basic principle of our operation, while at the same time it is a primary commitment of the Management to satisfy the applicable requirements.

We will achieve our main goal through:

- Determination of objectively achievable goals and their monitoring by the Management in the reviews of the management system
- The regular and uninterrupted monitoring of critical parameters of our processes to ensure the quality of our products and services
- The absolute observance of the Legislative and Regulatory requirements in matters of quality – environment, Health, Safety and Road safety
- Prevention and avoidance of environmental, health and safety accidents
- Prevention of any kind of pollution from its activities
- Prevention and avoidance of occupational diseases and accidents
- Prevention and avoidance of road accidents and incidents related to road safety
- Providing of all necessary resources to ensure the smooth, efficient and effective operation of the company
- Maintaining a technologically modern and professionally suitable work environment
- Encouraging the continuous improvement of our suppliers and partners, as well as training our staff in matters related to all the standards applied by the company
- The implementation of a Management System and continuous effort to improve it

The management of the company is committed to the continuous review, evaluation and revision of this Policy and the Quality Management System it applies, always aiming at the satisfaction of our customers.

The continuous effort for continuous improvement is the main concern of « **AGRODRIP S.A.** » and philosophy of all our employees.
